#### **Docket Text:**

**Judge Patti B. Saris: ORDER entered denying [5546] Objection to August 20, 2008 Ruling Granting Schering Plough's Motion for a Protective Order, filed by The City of New York and Captioned New York Counties. "However, I modify it as follows: Plaintiffs may conduct discovery with respect to any branded drugs that have an AWP to AMP spread of over 30% for the year. Plaintiffs may also depose Professor Addanki regarding his calculations. While it may be better to have quarterly calculations, the proposal to use an AWP to AMP spread makes sense. Plaintiffs may submit an expert affidavit proposing alternative expert calculations, but it should be transparent and consistent in its methodology." (Patch, Christine)**
